Sponsorship Opportunities

Dear Supporter,

The National American Arab Nurses Association (NAANA) invites you to its 9th Annual Angel of Mercy event, which will be held virtually on Thursday, October 29, 2020, via Zoom.

The contributions of nurses often go without public acknowledgement, but not this year! We have seen the superhuman contributions of our Arab American nurses and all nurses on the front lines everyday caring for their patients with and in spite of the coronavirus! Due to COVID-19, NAANA's board wants to hold our annual event virtually especially so that we can showcase the brave nurses who have cared for us in our greatest health crisis in generations.

In addition to the Angel of Mercy Award, NAANA also provides scholarships to Arab American nursing students who show strong academic achievement, leadership and community involvement. The shortage of nurses in our hospitals and clinics has propelled the board to give *more* than the usual four scholarships this year.

We are sensitive to the financial effect COVID-19 has had on the majority of our sponsors. That is why we've slashed our sponsorship categories in half. We know that you still believe in our mission and that nurses are needed more now than ever.

Please consider both these worthwhile causes. Thank you for your support!
