

9th Annual Angel of Mercy Virtual Event

For eight years at the Angel of Mercy Banquet, NAANA has lauded individual Arab American nurses whose work and career went over and above their specific job or title and whose accomplishments set a higher standard for others to emulate.

This year, because Arab American nurses and **all** nurses who work the front line putting their lives at risk to treat COVID-19 patients, **we have chosen to honor them all as Angles of Mercy!**

We invite you to virtually attend our 9th Annual Angel of Mercy Event and help us recognize the contributions and achievements of all nurses who work to keep us healthy and safe.

In place of the Angel of Mercy Award, we will award several additional scholarships to encourage Arab American nursing students to continue their studies to join the ranks of today's nursing heroes.

NAANA's annual scholarships in the amount of \$500 to \$1000 are awarded to the most meritorious applicants who are studying nursing at the Associate Degree, Bachelor Degree, RN-BSN, or BSN-MSN (Master's in Nursing) level.

We have lowered the sponsorship amounts in recognition of the negative impact COVID-19 may be having on our sponsors and friends. However, NAANA still needs you! Sponsors will be able to have a scholarship awarded in their name. We hope you will continue to support NAANA this year as you have in the past. NAANA expects to resume the individual Angel of Mercy Award Banquet in 2021.
